Program Snapshot

To encourage businesses to locate or expand operations in Maine by providing customized work force training at no cost to the business or to trainees.

This program education and training programs are coordinated and delivered through Maine's seven community colleges. The MQC program is designed to ensure that your business has a pool of qualified workers with the knowledge and skills your business needs. MQC's staff will work with you to design a customized training program that delivers the training when you need it and where you need it.
