Brewer— we're anything but business as usual

"One of our core values is fostering long-term relationships and building trust in those relationships. We have that here in Brewer. We like to be part of a community where we can grow, be innovative and have a positive impact on the community.

With corporate headquarters located in Minnesota and 12 manufacturing locations all in smaller communities, we feel very much at home here in Brewer surrounded by Maine's natural beauty, but still in an urban setting with all the amenities our business needs to succeed."

—Mary Erholtz and Paul Schmidgall of Superior Industries, and new owners of Trans-Tech Industries.
