# On The Job Training

### Program Snapshot

**A program where professionals can assist you in the recruiting, and training of new employees.**

On-the-Job Training (OJT) is a federal program funded by the Workforce Innovation and Opportunity Act (WIOA). This program, through EMDC, lets you hire and train skilled workers and get reimbursed for your efforts, at NO COST to the employer.

**Program Contact Info:**  
**Eastern Maine Development Corporation (EMDC)**  
**Bangor CareerCenter**  
**45 Oak Street, Bangor, ME 04401**

As an employer, you'll benefit from more efficient recruiting, more targeted training, and assistance with training expenses:

- An EMDC Workforce Development Specialist will help you find the right talent when you need it, reducing time, effort, and money spent on recruiting.
- The specific technical skills you need may be hard to find. OJT helps you train the right workers to meet your requirements.
- You receive a portion of the costs to provide on-the-job training for individuals you hire through the On-the-Job program.
