

2014 PRE-APPLICATION SURVEY

City of Brewer Community Development Housing Grant Program

Dear Resident:

The City of Brewer is preparing to apply for a Community Development Housing Rehabilitation Grant. If successful, funds for qualified homeowners, or landlords with qualified tenants, will be made available for projects including, but not limited to, heating system replacements, roofing, siding, windows, doors, health and safety improvements, and energy efficiency related projects.

We are asking residents to complete this pre-application survey in order to better understand the needs facing our residents, and to determine the amount of public interest in this program. If we are awarded a Community Development Grant, applicants will be required to complete a full application to determine eligibility.

This survey, and all information contained in it, is considered confidential and details will not be shared with anyone. However, we will summarize the data in order to demonstrate support and need while preparing our grant application to DECD.

In order for this survey to be included in our grant application to DECD, this survey should be **returned no later than Friday March 14, 2014.**
