COMMUNITY DEVELOPMENT GRANT PROGRAM
80 North Main Street
Brewer, Maine 04412

Pre-application for Rental Properties

The City of Brewer is competing for a 2015 Community Development Housing Assistance Grant. If we are successful, \$500,000 will be available to make improvements to single and multi-family homes in Brewer. This grant program can address items such as windows, roofing, insulation, siding, heating or other issues related to health and safety or the energy efficiency of the building. In order to qualify at least 51% of the units must be rented to tenants who are income eligible*, and other conditions may apply. We will contact property owners who complete this pre application form when the grant awards are announced.
