

## **NOTICE TO CONTRACTORS**

Bids are requested for the construction of a wood framed building with metal siding and metal roofing and foundation for an unheated storage building at the landfill site on Sid Arey Drive in the City of Brewer, Maine.

The project includes all associated foundation and building work. Site work, including all excavation, backfill, and gravel, will be completed by the City of Brewer Public Works Department.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-7800. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2019 Cold Storage Building Bid" and must be received at the Office of Frank Higgins, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 2:00 PM, Thursday February 21, 2019. Any bids received after the date and time specified will not be allowed.

The work shall not commence until such time as the Contractor receives a notice to proceed from the City Engineer or his designee. The work is expected to begin on or about May 1, 2019 and be completed by October 11, 2019. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
