

## **NOTICE TO CONTRACTORS**

Bids are requested for the resurfacing of certain streets for the City of Brewer.

The project may include the grinding or full depth reclamation of existing road surface, furnishing and placement of hot bituminous concrete shims and overlays on existing City streets, parking areas and walkways. Total tonnage is estimated to be 1650 tons and total areas to be ground or reclaimed are estimated to be 15,830 square yards.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Public Works at (207) 989-7800. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2019 RESURFACING BID" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 11:00 AM, Wednesday, March 13, 2019. Any bids received after the date and time specified will not be allowed.

The paving and/or grinding of said City streets shall not commence until such time as the Contractor receives a notice to proceed from the City Engineer or his designee. The work is expected to begin on or about May 1, 2019 and be completed October 15, 2019. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
