### Maine Quality Centers

#### Program Snapshot

**To encourage businesses to locate or expand operations in Maine by providing customized work force training at no cost to the business or to trainees.**

These education and training programs are coordinated and delivered through Maine's seven community colleges. The MQC program is designed to ensure that your business has a pool of qualified workers with the knowledge and skills your business needs. MQC's staff will work with you to design a customized training program that delivers training when you need it and where you need it.
