

Laborer/Light Equipment Operator

The City of Brewer, Maine is seeking a highly motivated, team-oriented individual to fill the position of Laborer/Light Equipment Operator. The Brewer Public Works Department is dynamic and versatile department responsible for much of the city's infrastructure including the maintenance and construction of streets, sidewalks, storm water, and sewer systems.

Experience with operating a variety of light equipment, working on construction type projects, as well as basic carpentry and masonry skills, and snow removal operations are highly desirable. However, we are willing to provide training to a candidate who has enthusiasm to learn and is a highly motivated, self-starter. The candidate selected for this position should already have a valid Class B Maine Commercial driver's license, or have the ability to obtain one within 6-months of hire. Candidates must have a high school diploma, or a G.E.D. equivalent, in order to apply for this position. The selected candidate must be able to successfully pass a pre-hire physical, drug screening, and background check. This is a full time position, which includes a comprehensive benefit package.

Interested candidates must submit a completed application, along with a cover letter, resume, and 3 professional references no later than February 27, 2015 at 5:00 pm to:

City of Brewer
"Laborer/Light Equipment Operator"
80 North Main Street
Brewer, Maine 04412

Applications and a complete job description may be picked up at 221 Green Point Road, Brewer, Maine 04412, from 8:00am to 3:00pm, Monday through Friday, or by visiting <http://www.brewermaine.gov/city-manager/employment-opportunities/>
