

NOTICE TO CONTRACTORS

Bids are requested for the construction of a new crosswalk and installation of foundations for rectangular rapid flashing beacons (RRFB) with associated improvements in the City of Brewer.

The project includes the removal and resetting of existing granite curb, new granite curbing installation, installation of pole foundations for RRFB installation with signs, sign installation, paving, and striping.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-7800 or jcaron@brewermaine.gov. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2019 Proposed Crosswalk on North Main At Church St" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 1:00 PM, Wednesday September 25, 2019. Any bids received after the date and time specified will not be accepted.

The work shall not commence until such time as the Contractor receives a notice to proceed from the City Engineer or his designee. The work is expected to begin on or about October 10, 2019 and be completed by November 15, 2019. The City prefers that work is completed in the fall of 2019, but will also allow a second completion window starting May 1, 2020 with final completion by June 15, 2020. Work may not begin in the fall and be left uncompleted over the winter of 2019/2020. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
