

Jerry W. Goss
Mayor

November 2019

Dear Friends,

It is my pleasure to welcome you to the City of Brewer's official website. I hope you find it to be a useful tool for navigating the many features of our great City.

I am once again honored to be serving as your Mayor. Brewer is fortunate to have a dedicated and responsive City Council. We are also fortunate to have a seasoned management team that is second to none, and dedicated employees, some of whom have over forty years of service to our City.

Brewer is a "Community of Caring". The guiding principles of this designation are Respect, Responsibility, Trust, Caring, and Family! I hope to work on your behalf over the coming year with these tenets in mind.

I am excited about the year ahead, and continue moving the City of Brewer forward!

Warmest regards,

Jerry W. Goss
Mayor
