Industrial Blanket Sales Tax Exemption

Program Snapshot

Maine state sales tax exemptions are available for manufacturing, R&D, custom computer programming, fuel & electricity, biotechnology and clean fuel vehicle sales.

A sales tax is imposed at the rate of 5.5% of the sale price on retail sales of tangible personal property.

Sales of the following kinds of tangible personal property are exempt from sales tax:

- Tangible personal property that becomes an ingredient of component part of, or that is consumed or destroyed or loses its identity directly and primarily in, either the production of tangible personal property for later sale or lease, other than lease for use in this State, or the production of tangible personal property pursuant to a contract with the United States Government or an agency thereof;
- Machinery and equipment used directly and primarily in either the production of tangible personal property for later sale or lease or the production of tangible personal property pursuant to a contract with the United States Government or any agency thereof;
- Machinery and equipment for use by the purchaser directly and exclusively in research and development in the experimental and laboratory sense.
