

## **NOTICE TO CONTRACTORS**

Bids are requested for a storm drain replacement project on North Main Street in the City of Brewer.

A failing section of brick sewer line will be replaced by 30" HDPE MaineDOT Option III dual wall pipe with a smooth interior. A doghouse manhole structure will be installed to make the connection between the new line and the existing brick storm drain. Some new curbing, mostly granite, will be installed in designated locations and sidewalk reconstruction will happen in select areas. Some areas of curb will be remove and reset with sidewalk reconstruction.

The storm drain work will be continued down Parker Street approximately 200' where it will be connected to an existing structure near Howard Street. All existing structures will need to be connected into this new storm drain line. Only 3" of binder pavement will be installed on this section of Parker Street because a future paving project will be completed shortly following this project.

A traffic control plan will be required for the storm drain replacement. The Contractor will have to submit the plan to the City of Brewer and DOT for approval. The Contractor will need to have a plan in place specifically for truck traffic. The Contractor will not be allowed to begin work until this plan has been approved.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-7800. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2021 North Main Street Drainage Improvements Project" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 11:00 AM, Friday May 28, 2021. Any bids received after the date and time specified will not be allowed. All bid questions must be received by "three days prior to bid", all questions received after that time will not be answered.

Note that State of Maine prevailing wage rates apply to this project.

Prospective contractors should note that this project must be completed before October 1, 2021. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
