

New Library Cards!

Starting August 30th

How Do I Get One?

Starting August 30th, your current card will be replaced with a brand new card when you check out an item at the library!

Why New Cards?

The new cards, with special 14-digit barcodes, will allow us to join Minerva, a shared library system, hopefully within the next year.

Why Minerva?

Quicker access to new books.
Request ILLs more easily. Check out books from other libraries with your Brewer card for FREE!
