

## **NOTICE TO CONTRACTORS**

Bids are requested for a storm drain replacement project on State Street in the City of Brewer.

Four separate sections of failing storm drain pipe will be replaced as part of this project. Three sections of pipe that run across State Street will be replaced from catch basin to catch basin only. The new storm drain will be laid at the same invert elevations as the existing pipes. Some work at the catch basins to enlarge the inverts will be required. Another section of storm drain will be coming from an existing catch basin in the intersection of Eastern Avenue and State Street and running near the curb line along State Street to an existing catch basin on State Street. For this section, a new 4' diameter catch basin will be installed at the corner of State and Eastern. All new storm drain will be 12" HDPE stormdrain/underdrain with perforations.

The contractor will be required to install message boards on both ends of the project to notify vehicular traffic of the construction and that they should be prepared for delays. The contractor will be required to provide alternating one-way traffic during construction, however.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-8430. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2022 State Street Storm Drain Replacement Project" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 1:00 PM, Thursday February 10, 2022. Any bids received after the date and time specified will not be allowed. All bid questions must be received by "three days prior to bid", all questions received after that time will not be answered.

Note that State of Maine prevailing wage rates apply to this project.

Prospective contractors should note that this project must be completed before July 29, 2022. This deadline will be firm as a pavement resurfacing project is planned for this construction season for this section of roadway, as well.

The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
