RE: Street Line Painting

Dear Prospective Contractor:

This is to request quotations for Street Line Painting in the City of Brewer to be done during 2022. Unit prices provided shall be all inclusive of any fuel surcharges, travel expense etc., and will remain active throughout 2022 for the City of Brewer, Maine.

The streets marked with an asterisk (\*) on the enclosed list will need to be completed by June 30, 2022. All others must be completed by July 31, 2022 unless otherwise agree upon by the Director of Public Works.

Please fill in all requested information for the bid below and mail to Brewer Public Works in a sealed envelope marked, "BID FOR YEAR 2022 LINE PAINTING" to the address shown at the bottom of the page by 2:00 p.m. on Monday, April 25, 2022. The City of Brewer, Maine reserves the right to accept or reject part or all of any bids received.

Sincerely,

David L. Cote – Director of Public Works

SPECIFICATION:

All work shall be performed in accordance with MDOT Standard Specifications Section 627 - Pavement Markings - line width 4", minimum wet thickness of 0.400 mm, and minimum 8 pounds of glass beads per gallon.

OTHER INFORMATION:

Intersection lane line shall also be included in this project and billed out at the "SOLID WHITE" price, exact quantities are unknown.

Quantities may fluctuate as streets may be removed or added as needed and determined by the City of Brewer.

The selected bidder shall possess and be required to show proof of minimum \$1,000,000 general liability insurance along with workers compensation insurance prior to being awarded the contract.

The contractor shall be responsible to supply and place any necessary signage or traffic control devices to prevent vehicular traffics exposure to wet paint furthermore, the contractor shall be responsible to address all claims of damage and or provide financial compensation for claims resulting from the performance of this contract by themselves or their subcontractors.

Painting schedules shall be approved by the Director of Public Works.

The Director of Public Work may request any section of the work performed be redone if, in his/her opinion the work completed does not comply with specification or has not been performed in a professional manner. All associated cost shall be absorbed by the contractor.

By submission of this proposal or contract, the prospective participant certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from doing business with any Federal department or agency. Furthermore, the prospective participant, if selected, agrees to ensure that any subcontractors it uses also meet this standard.

\_\_\_\_\_: I have read, understand and agree with the terms as described herein.
