

NOTICE TO CONTRACTORS

Bids are requested for the resurfacing of certain streets for the City of Brewer.

The project may include the grinding or full depth reclamation of existing road surface, furnishing and placement of hot bituminous concrete shims and overlays on existing City streets, parking areas and walkways. Total tonnage is estimated to be 2580 tons and total areas to be ground or reclaimed are estimated to be 28,160 square yards.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Public Works at (207) 989-7800. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "FY23 CITY STREET PAVING BID" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 12:00 PM, Tuesday, July 19, 2022. Any bids received after the date and time specified will not be allowed.

Please note the City of Brewer will be requiring that two of the streets be completed during this calendar year. We would prefer that all streets are completed in this calendar year, but will allow the remaining streets to be completed by June 3, 2023, if necessary.

The paving and/or grinding of said City streets shall not commence until such time as the Contractor receives a notice to proceed from the City Engineer or his designee. The work is expected to begin on or about August 10, 2022. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
