Employment Tax Increment Financing (ETIF)

Program Snapshot

Businesses may be reimbursed up to 80% of their new employees' Maine income tax withholdings for up to 10 years.

If your for-profit, non-retail, non-utility business is planning to add a minimum of five net* new Maine jobs within a two-year period, you may be eligible for Maine's Employment Tax Increment Financing program. Under the ETIF program, businesses are reimbursed up to 80% of their new employees' Maine income tax withholdings for up to 10 years.

increment-financing

- New employees must receive an annual income greater than the county's average per-capita income.
- New employees must be provided access to group health insurance.
- New employees must be provided access to a group health care plan **and** an Employee Retirement Income Security Act (ERISA)- qualified retirement program.

*Companies with current Maine employees must exceed their existing employment level. For companies relocating with no previous Maine presence, all employees are considered "new".
