

CITY OF BREWER – Request for Permit Extension

Brewer City Ordinances, Chapter 24 Land Use Code, Article 2

205.2 - COMMENCEMENT AND COMPLETION OF WORK

Construction and alteration activities on projects for which a permit has been granted under this Section shall commence within six (6) months of the date of issuance of the permit and shall be substantially completed within twelve (12) months of that date. Activities which are not commenced or substantially completed within the time limits provided above shall be subject to a new application and the permit issued under this Section shall be considered void. Activities may be extended, one or more times for additional periods of 90 days each, by the Code Enforcement Officer, if an application for an extension is submitted not later than thirty (30) days prior to expiration of the prior permit.

To assist us in the processing of your permit extension:

- Please make sure that your request for your permit extension is submitted and approved by the Code Enforcement Officer.
- Once you've received Code Officer approval of your extension, we will send this in the mail to you.
