

NOTICE TO CONTRACTORS

Bids are requested for a storm drain replacement and resurfacing project on Parker Street in the City of Brewer.

The limits of this project are on Parker Street from East Summer Street to the railroad tracks. A failing section of combined vitrified clay and brick sewer lines will be replaced by 15" HDPE MaineDOT Option III dual wall pipe with a smooth interior. All existing structures will need to be connected into this new storm drain line.

After the storm drain replacement is complete, the remaining portions of this section of roadway will be milled and overlaid and the sidewalk will be reconstructed. All new concrete curbing will be installed as part of the reconstruction. Two different curb molds will be utilized, one on each side of the road.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-7800. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2023 Parker Street Storm Drain Replacement and Resurfacing Project" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 11:00 AM, Friday March 10, 2023. Any bids received after the date and time specified will not be allowed. All bid questions must be received by "three days prior to bid", all questions received after that time will not be answered.

Prospective contractors should note that this project must be completed before August 1, 2023. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received.
