

NOTICE TO CONTRACTORS

Bids are requested for the construction of two (2) dual Electric Vehicle (EV) charging stations at 2 separate locations within the City of Brewer.

The project includes the installation of two black aluminum poles, associated foundations and conduit. Installation of EV chargers and associated equipment to provide functioning charger units with software installed and ready for use by City staff at the completion of the project.

Interested bidders may obtain bid information and specifications for the project by contacting Brewer Engineering Department at (207) 989-8430 or mtupper@brewermaine.gov. For consideration, the attached bid form must be sealed in an envelope, distinctly marked, "2023 EV Charging Station Installation Project" and must be received at the Office of Jeremy Caron, Brewer Engineering Dept., 221 Green Point Road, Brewer, ME by 10:00 AM, Friday March 31, 2023. Any bids received after the date and time specified will not be accepted.

Interested bidders should note that the successful bidder will be selected based on the criteria of cost for the project and timeline to complete the project.

The work shall not commence until such time as the Contractor receives a notice to proceed from the City Engineer or his designee. The work is expected to begin on or about April 15, 2023 and be completed by December 15, 2023. The City of Brewer, Maine holds the exclusive right to reject or accept all or part of any or all bids received. The City of Brewer, Maine also holds the right to refuse any and all bids received.
