- The Maine Apprenticeship Program assists in setting up structured yet flexible training programs designed to meet the specific needs of Maine employers through on-the-job learning and related classroom instruction.
- Apprenticeship programs can be sponsored by employers, employer associations, or labor/management groups that can hire and train in a working situation.
- MAP may reimburse up to 50% of an Apprentice's tuition costs. In addition, the apprentice works full-time for their sponsor (employer), applying related coursework and newly acquired skills to accomplish occupational tasks in a hands-on environment.
- Any existing employee or new hire can become an apprentice as long as they:
 - Are at least 16 years old
 - Are committed to furthering their education, both in the classroom and on the job
