

Jenn Morin  
Mayor

December 15, 2023

Dear Citizens of Brewer,

I am thrilled and honored to serve as your mayor in this amazing community that we call home. As a long-time resident of Brewer, I have always held a deep love and appreciation for our city and its people. As I enter my fourth year of service, I am excited to share some new and innovative ways that we plan to enhance and revolutionize communication with you, the residents of Brewer.

One of the key initiatives we are implementing in the first quarter is a system on our website that allows you to easily provide your email address and/or cell phone number to receive regular community updates. This will enable each and every one of you to stay informed and keep your finger on the pulse of what is happening in our vibrant community. Information will be posted on the City's homepage when this new system is officially launched.

I am committed to serving the community at large and welcome any suggestions or ideas on how we can make Brewer an even better place to live, work, and thrive. Our community is built on a foundation of care and compassion, and I firmly believe that together, we can achieve great things. I am always open to conversations with our residents, and I encourage you to reach out to me with your thoughts, concerns, and aspirations for our community.

I am excited about the journey ahead and the positive changes we will bring to Brewer. Together, let us continue to build a community that we can all be proud of. Your feedback and engagement are important to me, and I eagerly await any suggestions or feedback you may have.

Thank you for your trust and support.

Sincerely,

Jenn Morin  
Mayor
