10. That **\$2,942,036** be authorized to be expended for Debt Service and Other Commitments.

BE IT FURTHER RESOLVED, that **\$19,424,946** be appropriated for the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that **\$5,584,080** be raised as the municipality's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, M.R.S.A. Section §15688; and

Explanation: The school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

Explanation: The additional local funds are those locally raised funds over and above the school administrative unit's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the (municipality/district) budget for educational programs.

BE IT FURTHER RESOLVED, that the school committee be authorized to expend **\$28,632,514** for the fiscal year beginning July 1, 2024 and ending June 30, 2025 from the municipality's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section §15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools; and

BE IT FURTHER RESOLVED, that the school committee be authorized to accept and expend any and all categories of funds as provided by the Maine State Legislature or the United States Congress (Examples of some of these funds and estimated amounts based on funds received last year are listed below)
