TITLE: ORDER, RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BREWER, MAINE, DECLARING SUPPORT FOR PRESERVATION OF FEDERAL TAX EXEMPTION OF MUNICIPAL BONDS.

Filed March 31, 2025

By Soubanh Phanthay, Dani O'Halloran,
William Kimball, Jenn M. Morin, and
Michele Daniels

WHEREAS, the tax-exempt municipal bond market is a widely used source of capital for states, local governments, tribes, territories, and non-profit borrowers that finances a tremendous share of the nation's public infrastructure; and

WHEREAS, state and local governments finance about three-quarters of the public infrastructure in the United States and use tax-exempt bonds to do so, with the federal government providing only about one-quarter of the investment; and

WHEREAS, federal tax exemption for municipal bonds, dating back to the 1800s and incorporated into the modern tax code in 1913, has been crucial for state and local governments to affordably finance critical infrastructure projects; and

WHEREAS, tax-exempt bonds have a multiplier effect of 2.11, meaning that for every dollar, borrowers achieve \$2.11 in borrowing cost savings, thereby demonstrating the efficiency and effectiveness of this exemption in facilitating infrastructure investment; and

WHEREAS, tax-exempt bonds provide for essential infrastructure projects, such as roads, bridges, utilities, broadband, water and sewer systems, and hospitals, which are vital to the health and well-being of communities such that without tax-exempt bonds, the cost of borrowing would be more expensive, causing an increase in taxes and fees that would place an undue burden on taxpayers.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Brewer as follows:

The Brewer City Council hereby encourages the Maine Congressional Delegation to assist the City of Brewer, Maine by preserving the tax-exempt status of municipal bonds by supporting and ensuring the protection of the federal tax exemption of municipal bonds; and

BE IT FURTHER RESOLVED, that copies of this resolution shall be furnished to all members of the Maine Congressional Delegation.

WHEREAS, the next State and Municipal election will be held on November 4, 2025, allowing adequate time to advertise and solicit interest in the elected Charter Commission positions.

NOW, THEREFORE, BE IT ORDERED, by the City Council of the City of Brewer, Maine, in City Council assembled, that:

Statement of Fact: The City of Brewer Charter has not undergone a comprehensive review in many years. In light of evolving governance practices, legal updates, and community needs, the City Council finds it appropriate to establish a Charter Review Commission under Title 30-A M.R.S. §2103. The Commission will include nine members: six to be elected at-large without party designation at the State and Municipal election on November 4, 2025, and three to be appointed by the City Council within 30 days of that election. Once established, the Commission will begin its work in January 2026, with the goal of completing its review and submitting any proposed Charter amendments for voter consideration at the November 2026 Municipal Election. This timeline allows for public awareness and candidate outreach, and ensures a transparent, thoughtful review process with support from City staff.
